

Independence Day

Honouring Freedom, Inspiring the Future

As we commemorate the spirit of India's Independence, the Ministry of Defence, in collaboration with MyGov, proudly announces the Independence Day Celebrations – 2025. This year's campaign continues the mission to foster patriotic pride and national unity, especially among the youth, through creative and engaging activities that celebrate our shared heritage and values.

To honour the sacrifices of our freedom fighters and celebrate the vibrant journey of our nation, citizens from across the country are invited to participate in a series of nationwide contests. These contests aim to inspire creativity, reflection, and a deeper appreciation of India's legacy of courage, resilience, and unity.

Let your patriotism shine through art, words, knowledge, and design. Join us in celebrating the essence of a free and united India.
